

EX-INS-150W -12 DC TO AC INVERTER

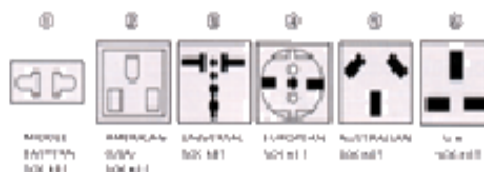

Inverter 150W è adatto per tutti I tipi di computer portatili o altri dispositivi per esempio TV,lampade, mini CD player,radio, caricatore di batterie ect. Ottimo in auto, camper e imbarcazioni.

INS-150W -12 DC TO AC INVERTER

Caratteristiche tecniche:

Articolo	INS-150W -12		
Output Power	150W Continue, 300W for surge power		
Input Vdc	10 - 15 V		
Output Vac	100/110/ 220 /230/240		
Output Frequency	50 / 60 Hz		
Output Waveform	Modified sine wave		
Standby Current	0.3A typical		
Efficiency	90% max.		
Output Voltage Regulation	± 5% typical		
Low Battery Alarm	11 ± 0.5Vdc		
Low Battery Shutdown	10.5 ± 0.5Vdc		
Thermal Protection	60 ± 10°C/ 140 ± 18°F		
Raffreddamento	Air convection		
Lunghezza cavo circa 80cm			
Protections	Low Battery Alarm Low Battery Shutdown Input Polarity Protection (By Fuse) Overload Protection Thermal protection		
Fuse	15A * 1 PC		
Dimensione			
Peso	600g		

note:

- 1.AC output outlet type.
- 2.Dimension option. 143mm*73mm*45mm
